BERLIN
HIGH SCHOOL
1978 LAMP

The Staff of the 1978 Lamp proudly dedicates its yearbook to Mr. Donald Bates in recognition of his outstanding community achievement, dedication, and involvement.

Mr. Bates, a teacher of mathematics, has designed the computer math program and helped organize the Math Team at Berlin High School. He also coaches the Berlin High School Varsity and Junior Varsity Golf teams. His coaching efforts have resulted in many high caliber players and championship teams. Further recognition of Mr. Bates talent as a golf coach is his being selected The National Golf Coach of the Year by the National High School Coaches Association.

Mr. Bates has also contributed much time and effort serving on the Park and Recreation Commission in Berlin.

Through his unselfish dedication, Mr. Bates has contributed greatly to both Berlin High School and the Berlin community. We wish him continued success.

ACHIEVEMENT

That man is a success who has lived well, laughed often, and loved much; who gained the respect of intelligent men and the love of children; who has filled his niche and accomplished his task; who leaves the world better than he found it . . .

Robert Louis Stevenson

The world is a looking-glass, and gives back to every man the reflection of his own face. Frown at it, and it in turn will look sourly at you; laugh at it and with it, and it is a jolly, kind companion.

William Makepeace Thackeray

Drop a pebble in the water,
And its ripples reach our far;
And the sunbeams dancing on them
May reflect them to a star.

Give a smile to someone passing,
Thereby making his morning glad;
It may greet you in the evening
When your own heart may be sad.

Do a deed of simple kindness;
Though its end you may not see,
It may reach, like widening ripples,
Down a long eternity.

Joseph Norris

Every soul that touches yours —
 Be it the slightest contact —
 Gets therefrom some good;
 Some little grace; one kindly thought;
 One aspiration yet unfelt;
 One bit of courage
 For the darkening sky;
 One gleam of faith
 To brave the thickening ills of life;
 One glimpse of brighter skies —
 To make this life worthwhile
 And heaven a surer heritage.

George Eliot

I could tell where the lamplighter was
by the trail he left behind him.

ACADEMICS

Why Teach?

They ask me why I teach, and I reply:

"Where would I find more splendid company?

There sits a statesman,

Strong, unbiased, wise,

Another later Webster,

Silver-tongued,

And there a doctor

Whose quick, steady hand

Can mend a bone,

Or stem a lifeblood's flow.

A builder sits beside him-

Upward rise

The arches of a church he builds, wherein

That minister will speak the word of God,

And lead a stumbling soul to touch the Christ.

And all about a less gathering

Of farmers, merchants, teachers,

Laborers, men

Who work with man and vote and build

And plan and pray

Into a great tomorrow."

And I say,

"I may not see the church,

Or hear the words,

Or eat the food their hands will grow

And yet . . . I may,"

And later I may say,

"I knew the lad,

And he was strong:

Or weak, or kind, or proud

Or bold.

I knew him once.

But then he was a boy."

They ask me why I teach, and I reply,

"Where could I find more splendid company?"

UNDERCLASSMEN

High on this mountain
The clouds down below
I'm feeling so strong and alive
From this rocky perch
I'll continue to search
For the wind
And the snow
And the sky
I want a lover
I want some friends
And I want to live in the sun
And I want to do all the things that I
never have done.

Sunny bright mornings
And pale moonlit nights
Keep me from feeling alone
Now, I'm learning to fly
And this freedom is like
Nothing that I've ever known
I've seen the bottom
And I've been on top
But mostly I've lived in between
And where do you go
When you get to the end of
your dream?

Once in a vision
I came on some woods
And stood at a fork in the road
My choices were clear
Yet I froze with the fear
Of not knowing which way to go
One road was simple
Acceptance of life
The other road offered sweet peace
When I made my decision
My vision became my release.

Freshmen

Class officers: Brenda Stabert, Treasurer; Mr. Stanley Brittingham, Class Advisor; Kim Kuhnly, Secretary. Standing: Tina Simeone, President; Sue Kristopik, Vice-President

The Class of 1981 joined the hustle and bustle of Berlin High on September 7, 1977. Tina Simeone, Sue Kristopik, Brenda Stabert and Kim Kuhnly were elected class officers. Under the advisiorship of Mr. Stanley Brittingham the freshmen year began to take shape. Their fund raising drive was kicked off with the traditional magazine drive which was an enormous success.

The single day allotted for Initiation was a day enjoyed by most and carefully observed by the school administration and the Board of Education. It began early in the morning with the worried freshmen, dressed as Supermen and Wonder Women, being taken to area restaurants for breakfast by their Big Brothers and Sisters. As the day progressed, the freshmen learned that Initiation is a fun event designed to bring the oldest and newest members of Berlin High together, and they even enjoyed performing the antics demanded of them. Freshmen and Seniors both felt a twinge of disappointment when the two o'clock bell sounded the end of the school day and the festivities. Initiation was officially closed with the annual Senior Court and dance.

Kim Valentine was chosen to represent the Freshmen class at Homecoming.

A farewell breakfast for the Seniors ended a very hectic first year for the class of 1981.

Sophomores

Class Officers: Marlen Clark, Secretary; Don Riordan, Vice-President; Mike Klein, President; Mrs. Joan Chichester, Class Advisor; Sue Ziegler, Treasurer.

The Class of 1980 under the direction of Mrs. Joan Chichester was led by the class officers Mike Klein, Don Riordan, Marlen Clark and Sue Ziegler.

The sophomore class kicked off its fund raising events with a car wash at Matson Rug. Their booth at the Berlin Fair also added money to the class treasury.

During spirit week the sophomores decorated the halls of B.H.S. with characters from the Wizard of Oz. The class showed their school spirit at the annual motorcade and pep rally.

Judy Lynn was chosen to represent her class at the Homecoming festivities.

The final activity of the year for the Class of 1980 was a dance sponsored for the entire student body.

Juniors

The Class of 1979 returned to Berlin High School having experienced two years of high school education. The Juniors began serious preparation for college by researching different schools and by renewing their efforts in their studies.

The Junior Class launched its fund raising projects with a tag sale. Their booth at the Berlin Fair also helped to bring in money.

Robin Bickley was selected as Junior Homecoming Attendant. The Juniors received their class rings in October.

The highlight of the year was the Junior Prom held on March 10, 1978, at the Knights of Columbus Hall in Meriden.

Mr. James Day advised the Junior Class. President Frank Sataline, Vice-President Ed Scheer, Secretary Leslie Young, and Treasurer Beth Kucharczyk led the class through a very active year.

The Class of 1979 is looking forward to their senior year with much enthusiasm.

If you have anything really valuable to contribute to the world, it will come through the expression of your own personality . . .

Bruce Barton

ACTIVITIES AND EVENTS

I have thought of beaches, fields,
Tears, laughter.

I have thought of homes put up —
And blown away.

I have thought of meetings and for
Every meeting of good-by.

I have thought of stars going alone,
Orioles in pairs, sunsets in blundering
Wistful deaths.

I have wanted to let go and cross over
To a next star, a last star.

I have asked to be left a few tears
And some laughter.

— Carl Sandburg

Homecoming

Homecoming 1978 saw the Redcoats beat South Catholic and subsequently finish their season with a 9-1 record. During the halftime festivities Homecoming Queen Sandi Ziegler and her court were presented to the more than 3,000 people in attendance. Mayor Arthur B. Powers presented Sandi with a bouquet of roses as her attendants, Senior Janice Gimpl, Junior Robin Bickley, Sophomore Judy Lynn, and Freshman Kim Valentine looked on. At the dance, the 1977 Homecoming Queen, Kathy Pagella, crowned Sandi in a touching ceremony. The entire night had a festive mood about it with dancing and socializing. A good time was enjoyed by all.

Following her crowning, Sandi Ziegler and Joe Kropf pose for a portrait.

Spirit Week

During Spirit Week all four classes competed to show which class actually had the most spirit. Each class had its own hallway and could decorate it in any manner that they wanted. Many students in each class strived to show they had the most spirit by covering the walls with posters which urged support for the football, cross-country, and girls' field hockey teams. The culmination of the week was the motorcade and Pep Rally. Although rather wet, the motorcade still drove through town to show the superior spirit of students at Berlin High. In the gymnasium the competition was close, especially between seniors and juniors. In the end the seniors won the Spirit Trophy much to their delight.

Initiation

A long-standing tradition at Berlin High, Initiation, was held for only one day this year. It still retained its fun for the seniors as well as for the frosh. Although some freshmen may have been reluctant at first, when it was all over, they held one thing in common with all other students at Berlin High — the experience of Initiation. Senior Court was held to try those freshmen accused of committing crimes against seniors. The master of ceremonies was, of course, the one and only Mole who presided absolutely over the senior gangsters.

Holiday Dance

One of December's big highlights was the third annual Holiday Dance sponsored by the Berlin High School Girls' League. Guided by advisor, Mrs. Emile Yukna, preparations were made and decorations were strung around the gym for the dance. Music was provided by "Nightbird," which played songs that were pleasing not only to the students but also to the chaperones. Refreshments prepared by members of the League were served to the famished dancers. The dance was successful due to the efficiency and dedication of the Girls' League.

Margot Johnson and Randy Rasemus do some high-stepping.

Funny how photographers attract everyone's attention.

Christine Bouchard seems to approve of the music.

Holiday Concert

The Holiday Concert was held at McGee School. A large crowd was on hand to hear the Berlin High School Concert Band directed by Mr. Paul Karam. Also performing during the concert were the Madrigals and the Concert Chorus.

The Drama Productions

On December 2nd and 3rd, Mrs. Colaiacovo's 1976-1977 Creative Writing class tried something new; a play competition of four one act plays, each written by students. The production, called Comedies etc., was judged by teachers from Berlin High and Central Connecticut State College. A play called "The Groomless Wedding," written by Lisa Mongillo, won the competition.

Opera Assembly

In the fall, the Berlin High School Humanities class sponsored an assembly on the opera. Four singers from the Connecticut Opera Association presented several solos and duets for the students. The singers gave a superb performance and were well received by their audience.

YEARBOOK

The 1978 yearbook staff experienced many difficulties in publishing this year's LAMP. A large staff rapidly dwindled to a few responsible people who worked hard and spent many long hours late into the night meeting deadlines. Two missed deadlines, the loss of many copy sheets, and the mysterious disappearance of pictures provided unwanted challenges for the staff. In addition to these challenges, there were always surprises. The publishing company's elimination of yearbook services, the disappearance and miraculous reappearance of fifty-three completed pages, and, most surprising of all, the thirty-six seniors who showed up for the LAMP staff picture, continually kept the staff wondering what to expect next. In spite of all obstacles, staff perseverance and the unfailing aid and direction of Mrs. Miklos saw the completion of this book.

It is we, and we are it.

The Honor Society is a group of honor students selected for their high academic grade averages as well as their participation in extracurricular school activities. Members are also selected for their outstanding leadership qualities. The Honor Society conducts several fund-raising events each year, such as car washes and bake sales, in order to present awards to students who achieve academic honors at the end of each year. In addition, the Society sponsors a tutorial program for students throughout the Berlin school system. Advisor Mrs. Carol Virostek and President Tom Woodruff have guided the Honor Society through its daily operation.

SPORTS

Athletic Employment

To live a life, free from gout, pain, and phthisic,
Athletic employment is found the best physic;
The nerves are by exercise hardened and strengthened,
And vigour attends it by which life is lengthened.

Who Misses or Who Wins

Who misses or who wins the prize
Go lose or conquer as you can;
But if you fall, or if you rise,
Be each, pray God, a gentleman.

Cross-Country

"I'm going to get you guys in shape if it kills me," Coach Dave Pasco told his cross-country team. It did not kill Coach Pasco, and his team was in great shape. Jeff "Vibes" Vibert captained the team and led them to a 11-3 record. The highlight of the cross-country season is the North West Conference meet in Canton. This year the Berlin harriers all ran great races at the meet. The team brought home five medals, and Seniors Gary Brochu and Tom Woodruff, and Junior Kris Scheer were named to the All Conference team. Brochu was also named Top Senior in the conference. Coach Pasco's runners enjoyed a fine season.

Football

The reformed Berlin Redcoats under the leadership of tri-captains Eric T. Nielsen, Joe Kropf, and Steve Bonaiuto finished their season with a 9-1 record. After losing a heartbreaker to neartown rival Middletown, the Redcoats, with strong direction from head mentor Al Pelligrinelli, came back and won nine consecutive games, a record for any Berlin team.

Never in the history of Berlin have so many fans attended football games. Fans drove many miles to see away games, where Berlin fans often outnumbered the hometown fans.

The 1977-78 Redcoats achieved great distinction by winning the WTC team of the week and qualifying for the Class M State Championship play-offs. This was the first championship game for any Berlin football team, and it created an uproar in the town. Berlin practiced hard and went into the game with enthusiasm. Their opponent was Shoreline Champion Hand High, who had a record of 23 straight wins. Berlin emotions and hopes were high, and Berlin played the best game ever. The lead was exchanged from one team to the other, but the game ended with Berlin losing a heartbreaker, 16-20. The Berlin fans knew that the Redcoats did the best job they possibly could and brought their team all the way to the State Championship play-offs.

Congratulations to the 1977-78 Redcoat football team for being the first team in the history of Berlin High School to compete in the State Class M Championship Game. The Redcoats battled equally tough Hand High School of Madison at Fontana Field in Southington on December 3, 1977. Both teams vied for the lead throughout the game, and the outcome was not determined until the last few minutes of play. The final score was Hand 20 — Berlin 16. Coach Pelligrinelli's team put in an outstanding performance.

"Let's get him fellas."

Coach Pelligrinelli's total dedication to the coaching of the Berlin High School football team has brought pride and excitement to the Berlin community. Under his direction the 1977-78 football team compiled a 9-1 record and played in the State Championship game. For his outstanding work, Coach Pelligrinelli was awarded the Class M High School Football Coach of the Year by the New England Chapter of the National Foundation of the Hall of Fame.

The 1977-78 football team thanks Coach Pelligrinelli for teaching them to win as well as to lose with pride. His sportsmen are always gentlemen first. Coach Pelligrinelli will always be remembered and missed by his players and friends of the Class of 1978.

Field Hockey

This year the Field Hockey Team had both a Varsity and a Junior Varsity team competing in the North West Conference. Co-captains were Becky Dickinson and Darlene Miller. The team showed much improvement over the previous year. Their record of 1-11-2 does not reflect the effort of the team, for they lost most of their contests by only one goal. A clear example of the closeness of the field hockey season was the game against Lewis Mills, one of the better teams in the Conference. The girls held Mills scoreless throughout the game until, with only four minutes left of play, Mills pushed a goal past Berlin's defense and won the game 1-0. Coach Lynn Arnold summed up the season by saying that she is proud of her girls and is looking forward to a better season next year.

Varsity Basketball Tri-captains: Barry Bradley, Fred Criniti, and Mark Beal with Coach George Hall

Led by tri-captains Mark Beal, Barry Bradley, and Fred Criniti, the 1977-78 basketball team paved their way to a 8-12 record. Although they got off to a slow start due to illness and injuries, the Red-coats soon put together an impressive 6 game winning streak. The most exciting game this year was played against Wilcox Tech at home. Berlin was down by 12 points with only two and one half minutes of play remaining. They battled back to a tie score which sent the game into overtime. After exchanging hoops for the three minute overtime period, the score was again tied. The game then went into double overtime. The 'Coats pulled away and finally won the game by a score of 79-74. Coach George Hall summed up his team's effort by saying, "I'm proud of this team. They got off to a bad start, but they didn't give up and came back to have a good second half of the season."

Girls' Basketball

The 1977-78 Girls' Basketball Team, under the guidance of Coach Janet Kelly and assistant Coach Linda Bulduc, completed their season with a 11-6 record.

Although the team was oversize by archrival Middletown, the girls defeated them in both contests. Captain Nancy Grib scored twenty-seven points during the first game to pace Berlin to a 56-47 win. The second confrontation was a see-saw battle. A steal, a key basket by Lisa Conti, and a well played defense by the entire team paved the way for a 34-33 victory for Berlin. On February 22, 1978, the Girls' Varsity team played Stonington at Colchester in the State Tournaments. The girls played an exciting game with the final score 41-38 Stonington. Wrestling

In their second year of varsity competition, the Wrestling Team did well enough to place fourth in the annual Northwest Conference Tournament held in the Berlin High gym on February 11, 1978. Carlo Zovich won the conference championship, and Bob Gibley, Bill McBriarty, and Aldo Zovich were runner-ups in their respective weight classes. Head Coach Bill Riccio and Assistant Coach Jim Day led the team to a winning record of 7-6-1 with hard work and discipline. Captained by Bob Gibley and Aldo Zovich, the matmen learned what it is like to be dedicated to a sport and what it is like to starve in order to make weight. They did not exactly enjoy all the push-ups and running which was necessary to get in shape, but they gained a sense of competition and friendship that comes with working hard and helping each other through a successful season.

SENIORS

FACING GRADUATION

Faces of old and faces of new,
People we know and people we knew.
Growing together, then drifting apart,
Always an ending and now a new start.
At graduation we all grow nearer
And all of us seem so much dearer.
And as we say our final goodbye,
One last embrace and one more cry.
A "keep in touch" and a "promise I will."
A "remember when," but better still,
This is what's said as we go our own way.

LAURA ROLLINS

Freshman Year

We began the first of our four years at Berlin High School eagerly anticipating the many challenges which awaited us. Our first confrontation was the traditional freshman initiation for which we dressed as hillbillies. We found ourselves waiting on the much feared seniors and performing a multitude of crazy antics. The class officers for our freshman year were Bill Carlson, president; Rob Sylvester, vice-president; Jiff Vibert, treasurer, and Carolyn Conti, secretary. They provided us with strong leadership through a confused period of crowded classrooms and congested hallways as the school began its renovation. As Homecoming closed the football season, Janice Gimpl was elected freshman attendant. Our freshman year passed quickly, and soon we bid good-bye to the seniors. Martian waitresses served them their farewell breakfast in the alien setting of outer space. At the end of the year, Doctor Long bid farewell to Berlin High School.

What a fairy!

Sophomore Year

Our sophomore year began in utter confusion because of school construction and renovation. After almost two years of work, the new addition to the school was finally opened. We all felt like freshmen again as we explored the new building. Bill Carlson, Jeff Vibert, and Carolyn Conti returned as class officers, and Eric Nielsen was elected the new vice-president. Christine Bouchard was chosen as sophomore attendant for the Homecoming celebration. Acting principal Mr. Donald Delisle was replaced by Mr. George Cleveland. The year ended with our class members awaiting the prestige of being considered upperclassmen in our junior year.

Junior Year

Our junior year proved to be very exciting and eventful. Bill Carlson, Carolyn Conti, and Jeff Vibert returned to lead the class, and Rob Sylvester joined the officers as vice-president. Our class demonstrated its spirit and strength by chanting Mother Goose nursery rhymes in order to tie the seniors for "Most Class Spirit" at the pep rally. Soon it was Homecoming, and Cindy Knopf was chosen as junior attendant.

Our junior prom was held at Aquaturf in Southington on March 26, 1977. Liz Ward reigned as queen, and Laura Alberti and Robin McNamara were her attendants. The evening proved to be memorable as everyone enjoyed dancing to the music of "Onyx."

Mr. Cleaveland resigned as principal, and once again Mr. Delisle was appointed acting principal. Our junior year concluded with everyone anxiously awaiting our final year at Berlin High School.

Senior Year

Our long-awaited senior year finally began. Bill Carlson, Rob Sylvester, Eric Nielsen, Carolyn Conti, and Robin McNamara worked hard as class officers to make the year run smoothly and successfully. Freshman initiation was one of the first events of the year. During initiation frightened freshmen, dressed as superheroes, treated us with the respect we demanded. With the theme *Alice in Wonderland*, we won the pep rally spirit award for the second consecutive year. Our senior year saw arrival of still another principal, Mr. Thomas Galvin, who assumed the school's top seat.

Homecoming arrived with much enthusiasm over our championship football team. Sandi Ziegler reigned as queen, and Janice Gimpl was the senior attendant in the homecoming court.

Our senior ball was on May 19 at the Glastonbury Country Club. This event made class members begin to feel the days slip by as graduation came closer and closer.

The year concluded with a series of events. First the class of 1982 served seniors a farewell breakfast. This was followed by the distribution of class awards, yearbooks, and caps and gowns. The final event, commencement at Welte Auditorium, was followed by a crazy senior banquet at Aquaturf. We left Berlin High School with many fine memories of a long, worthwhile four years.

Dear Mr. Warburton,

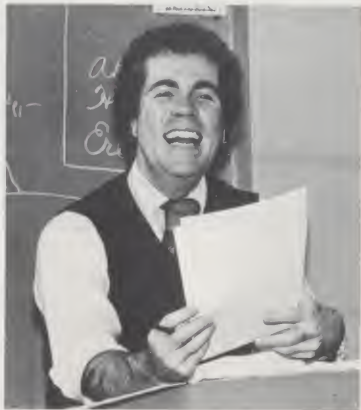

We wish to express our appreciation for your four years of total dedication and concern for our class.

Your great capacity to laugh in good times and keep smiling through bad times has taught us how to work together.

Each class begins its freshmen year with an advisor who is asked to give his time and understanding to help the class through its high school years. The success or failure of this class is dependent upon its advisor. We, as a class, have been very successful. The success we have achieved is a reflection of the man who helped us attain it.

You have given so much of yourself in everything we have done. Because of this, our class activities such as fund-raising, pep rallies, junior prom, and senior ball are events which have left us with many happy memories. May the future bring you the happiness you deserve.

All our love,
The Class of 1978

Humor — the ability to laugh at life — is right at the top with love and communication in the hierarchy of our needs. Humor has much to do with pain; it exaggerates the anxieties and absurdities we feel, so that we gain distance and, through laughter, relief.

the 1990s, the number of people with a mental health problem has increased by 50% (Mental Health Foundation 1999).

There is a growing awareness of the need to address the needs of people with mental health problems, and the importance of providing them with appropriate services. However, there is a significant gap between the current needs of people with mental health problems and the services available to them. This gap is due to a number of factors, including a lack of resources, a lack of training for health professionals, and a lack of awareness of the needs of people with mental health problems. This paper discusses the current needs of people with mental health problems, and the services available to them. It also discusses the factors that contribute to the gap between the current needs of people with mental health problems and the services available to them.

The first factor contributing to the gap is a lack of resources. There is a significant shortage of health professionals, particularly in the area of mental health. This shortage is due to a number of factors, including a lack of training opportunities, a lack of financial incentives, and a lack of awareness of the importance of mental health. This shortage of health professionals leads to a lack of services for people with mental health problems.

The second factor contributing to the gap is a lack of training for health professionals. Many health professionals do not receive adequate training in the area of mental health. This is due to a number of factors, including a lack of training opportunities, a lack of financial incentives, and a lack of awareness of the importance of mental health. This lack of training leads to a lack of services for people with mental health problems.

The third factor contributing to the gap is a lack of awareness of the needs of people with mental health problems. Many health professionals and the general public do not have a sufficient understanding of the needs of people with mental health problems. This lack of awareness leads to a lack of services for people with mental health problems.

In order to address the gap between the current needs of people with mental health problems and the services available to them, it is necessary to take a number of steps. These steps include increasing the number of health professionals, providing adequate training for health professionals, and increasing awareness of the needs of people with mental health problems.

One way to increase the number of health professionals is to provide more training opportunities. This can be done by increasing the number of training places, and by providing financial incentives for people who enter the profession. Another way to increase the number of health professionals is to provide financial incentives for people who work in the area of mental health.

Another way to address the gap is to provide adequate training for health professionals. This can be done by providing more training opportunities, and by providing financial incentives for people who receive training. Another way to provide adequate training for health professionals is to provide financial incentives for people who work in the area of mental health.

Finally, it is necessary to increase awareness of the needs of people with mental health problems. This can be done by providing more information to the general public, and by providing more information to health professionals. Another way to increase awareness of the needs of people with mental health problems is to provide financial incentives for people who work in the area of mental health.
